PROFILE

Versatile **Front-End Developer** with a strong background in **interactive application development** and a deep understanding of **Javascript, React**, and modern web technologies.

EXPERIENCE

Career Transition & Freelance

Bangalore, India

Front-end Developer

Feb, 2023 – June, 2025

- Transitioned from game development to front-end engineering, leveraging strong fundamentals in Javascript, UI design, and performance optimization.
- Built and deployed **responsive web applications** using **React, TypeScript, Redux Toolkit, Firebase, React Router**, and **Tailwind CSS**.
- Implemented **state management, API integrations**, and **component-based architectures** for scalable, maintainable front-end solutions.
- Created and launched multiple projects, including:
 - **Amazon-style e-commerce store** featuring dynamic product listings and cart functionality.
 - **ChatGPT-style AI app** with a conversational UI and real-time API responses.

BYJU'S

Bangalore, India

Software Engineer | Game Development

Jan, 2021 – Jan, 2023

- Developed and maintained **50+** interactive **web-based** games using **Typescript**.
- Implemented **UI components**, animations, and logic ensuring seamless performance across various screen sizes and low-end devices.
- **Optimized** applications for **speed**, memory efficiency, and user experience, aligning with front-end best practices for web performance.
- Collaborated with designers, educators, and product teams to translate learning objectives into intuitive, user-friendly interfaces and responsive experiences.

EWar Games

IIT Roorkee, India

Game Developer | Intern

Jan, 2020 – Mar, 2022

- Developed a 3D arcade game using **C#**, emphasizing **smooth UI and user experience**.
- Integrated **client-server communication** with secure data handling (BlowFish encryption).
- Focused on gameplay logic, UI polish, and **performance optimization** for a seamless user experience.

SKILLS

Technical: React, Javascript, Typescript, Redux, ContextAPI, React-Flux, Shadcn/ui, TailwindCSS, HTML, CSS

Tools: VS Code, Git, Github Figma, Jira, Unity

EDUCATION

Indian Institute of Engineering, Roorkee (IIT-R)

Uttarakhand, India

Bachelor of Engineering in Chemical Engineering

2016 – 2020

ACHIEVEMENTS

- BYJU'S TechX Award - **Ownership & Accountability**, 2022
